Primary Election, March 2024 Rev 2 (changes marked in red)

Title	Description	Reco	Rationale
<b>Proposition 1</b> Behavioral Health Services Bond	Issues \$6.4 BILLION in bonds for homeless housing and mental health treatment facilities.	NO	This is Crony Capitalism. The big unions and corps want to take money away from hard working black families and into their own pockets. This will all go into the pockets of the friends of the Politicians and nothing will be solved. They already get millions. Private Charities like City Team take 100's of homeless off the streets and don't take a dime of tax money. It's all done through charity.
<b>Measure A City of Santa Clara</b> Charter Amendment	Shall an amendment to the City Charter be adopted providing that the City Clerk position be appointed by the City Manager?	<input checked="" type="checkbox"/>	YES– the City Clerk should not be a tool of a populist and should be selected by the person who manages the City budget.
<b>Measure B City of Santa Clara</b> Charter Amendment	Shall an amendment to the City Charter be adopted providing that the Chief of Police position be appointed by the City Manager?	<input checked="" type="checkbox"/>	YES– the Police Chief should not be a tool of a populist and should be selected by the person who manages the City budget.
<b>Measure C Sunnyvale School District</b> Bonds	Bonds (\$15/\$100K for 34 YEARS to raise \$214M) for renovation and modernization of schools.	NO	This adds about \$250 per apartment in taxes. When property taxes go up, our rent goes up. Black Families who are renting can't afford another \$250 on their apartment. And if you own a home it's worse.
